About Mindi

Built on one woman's passion for fine jewelry, Mindi Mond New York has grown into an international luxury brand. Pieces from our collections have been featured in trendsetting fashion and lifestyle magazines, worn by celebrities to high profile galas, and nestled in the jewelry displays of some of the world's most exclusive retailers.

Each of our collections is an exploration of a particular concept in jewelry design. Though deeply informed by timeless classics – from Georgian through mid-century modern – every item in the Mindi Mond New York lines is specially created for the modern collector.

Whether an individual piece is a reimagination of a period original or the realization of a completely new idea, quality materials and meticulous craftsmanship are central.

Mindi Mond New York invites you to explore how exquisite fine jewelry can help you express yourself, from the whim of a moment to the essence of your being.

Mindi Mond is a devoted wife and mother and a dedicated board member of the THANC (Thyroid, Head and Neck Cancer) Foundation. She lives in New York with her husband and two children.
